**THE SPORTS DAY**

Nkondo Primary School organized a sports day. All the pupils were divided into houses and each house had a house leader elected by pupils of that house. The houses were Nile, Victoria, Kyoga and Albert. Victoria had its leader Catherine. All teachers liked Catherine because she was hardworking and well behaved.

Catherine was at first doing well, as she was practising with her house members daily. Time came when she was doing the opposite. She became proud of herself in front of other pupils. Whenever she was given some items like glucose and sugarcane to be given out during practice, Catherine kept them to go and share with her friends in the dormitory. Her behaviour did not please the members of the house. They decided to report the matter to the house masters.

One morning, the teachers and pupils of Victoria house gathered to prepare for the general practice for all the houses. During the meeting, members talked about Catherine's conduct. Some said that they had given up but the teachers advised Catherine to apologize to the members.

In the afternoon, the houses assembled for the practice. This saw Victoria's participants becoming last in each race. Catherine lost fame and became quiet. The rest of the houses beat Victoria in each and every event. After the general practice, Catherine called her members and apologized. She called upon them to regain house spirit. This made her buy glucose using some of her pocket money.

The awaited day came and participants assembled in the field. In the first event of the long race, the first and third positions were taken by Victoria house. When the results of the field events were brought at the recording table, Victoria house was leading in most of them and this made Catherine and her house-mates very happy.
